I am changing the time to accommodate a RAF training that day. I talked to Mat he is ok with the change, and Michaels schedule is also open.

Hi Mat,

I am setting this call to review the attached SSD modifications. It is a very short memo, so our call should be short. I am setting up 1h meeting but we may resolve this in less than half hour.

Since you visited the site and made technical recommendations for the modifications, it makes sense to follow up with you to review their response.
